## A special night tour for Sakura and local dinner with Japanese Sake

Uchiko town has two famous cherry blossom spots which are "Aino-no-hana" and "Okubi pond". "Aino-no-hana" is a large weeping cherry. When you step into the drooping branches, you will feel like you are in a fairy tale. On the other hand, the cherry trees at "Okubi pond" are Somei-Yoshino. The cherry blossoms reflect in the pond, creating a beautiful postcard-like scenery. You get to visit these two sights by a premium jumbo taxi. Dinner is served before the night Sakura tour at "Kotetsu". You will enjoy a comparison of 4 types of local sake from Uchiko and a Japanese course meal using seasonal fish. Enjoy a beautiful spring night in Uchiko town.
